Dear Levin,

I really enjoyed our visit at L.C.D.A.&H. when I was in Meridian. I have gone over the material I purchased and I keep finding new things every time I look. The Archives really covers the area that my ancestors were in.

Thank you for the McElroys and the Monument material. I even found a McElroy that married a Cameron who would be in the family of Gayle Weed. She and I E-Mail each other almost every day and she is the one who gave me your catalogue first.

I am sending you a list of the Siloam Cemetery that was done in 1961. This list came from Gayle Weed. She said a Mr. Rogers compiled it. When you go to Siloam and work in that area, you might want to include the Wood Cemetery that is across highway 17 from the store on Scratch Hill. This is a family cemetery and I know that Edris Byrd, Gayle Weed,s mother is one of the owners. It is fenced and small. Mrs. Byrd is in her 80,s and works several days in the public library in York. The Aba Green/Cameron/Byrd house is the first house on the right after the store going south on 17. The old Peter's Place is directly across the road from it. There are two graves under an oak tree that need to be in your listing. Aba Green,s daughter Cornelia and her husband William Tate are buried there. William Tate died with measles during the Civil War. He was near Mobile. From What I understand, the writing is fading from the tombstones. Cornelia Ann Green was born August 28, 1832 in N.C. or Alabama and died on October 26, 1904. She married William Tate on December 20, 1849 in Sumter County. William Tate was born ca. 1825 in N.C. He died on June 6, 1862 in Mobile. Aubrey Green in York is an excellent source of Aba Green and his decendents is SumterCounty.

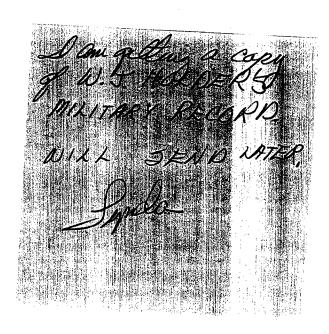

I am sending you the Sumter County Alabama 1855 and 1866 Census copied microfilm obtained from the L.D.S. Family History Center, a list of the Greens who fought with the 40th and are not all included on the monument, same source, and some more things.

You might want to correct the birth date of Andrew J. Holder in your present Holder file. From your cemetery records, he was born 9/18/1884 and not 1844. Andrew Jackson [Black Andrew] Holder [1884-1919] and William Chesley Holder [1881-1962] were brothers and the sons of William James Holder and Ellen Victoria Bean. The woman who made application for pension for William G. Holder fits the description of Ellen Bean Holder. I feel that your William G. Holder must have another widow somewhere and not Ellen. I know that Willam James made an application in Alabama and I am sending you a

copy of that. This pension application is a wonderful piece of my puzzle! Ellen was an orphan and the first time I found any trace of her was in Sumter County in 1870 working as domestic servant. She married William James, a widow with children, in 1875. I am not through with the Holder research, but if it is all right with you, I would like to put some things in a file. I would like to know more about the Pickens County Holders also. Do you have a source for the information and do you have any dates in your Pension Book E-K. I would like a copy of the book.

Thank you again for the information, your time and for listening! I hope something I send will be of some help to someone.

Sincerely, Lynda Allen
